ELMHURST FARMS'
Dispersal Sale
OF
ROYALLY BRED SCOTCH SHORTHORNS

**IMP. PITTODRIE
UPRIGHT**

MONDAY, APRIL 18, 1949 ★ ROUNDHEAD, OHIO

The Shorthorn industry has suffered a great loss with the recent death of F. S. Davidson of Lima, Ohio, who owned Elmhurst Farms, Roundhead, Ohio. Mr. Davidson, a true Shorthorn enthusiast and a builder of the breed, devoted a great amount of his time and money to the building of one of the leading herds in Ohio. He is pictured above with Edellyn Modern Mercury in 1942 when he purchased this exceptional breeding bull at Edellyn Farms, Wilson, Illinois for \$2,500. Through the tireless efforts of this true lover of Shorthorn cattle, the Elmhurst herd at the present day rates among the best. A study of this catalog will convince you that the richest bloodlines of the breed are represented and that this complete dispersion will provide unusual buying opportunities.

Hal Longley, Sale Manager

TERMS . . CONDITIONS . . GUARANTEE

The terms of the sale are cash since this is a complete dispersion to settle the Estate of the late F. S. Davidson of Lima, Ohio. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately after the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from the purchaser.

A certificate of registry and transfer will be furnished for each animal sold as a separate lot and properly signed applications will be furnished for the registry of all calves at foot and all unborn calves.

All animals in the sale have been tested for T. B. and Bang's disease within thirty days of the date of the sale and health certificates will be furnished. Calfhoo vaccination for Bang's disease has been practiced for many years at Elmhurst Farms.

The Elmhurst Herd is backed by an enviable reputation gained through honest business practices over a long period of years. The pedigrees are correct and the cattle are healthy. Any known faults will be clearly announced on sale day. Nearly every cow in the herd has a calf at foot or shows every evidence of being well forward in calf. There are more than thirty calves that will sell with their dams.

The three herd bulls, Edellyn Modern Mercury, Imp. Naemoor Magnate and Elmhurst Edmond have been consistent breeders and are in healthy breeding condition. Their ability as sires will be evident on sale day through the many calves at foot and the many cows that are bred to them. The Elmhurst Farms interest in Imp. Pittodrie Upright will not be sold in this dispersion. As this is a complete dispersion sale to settle the Estate of the late F. S. Davidson, no further guarantees will be given.

Announcements from the auction box will take precedence over printed matter in this catalog. The above terms and guarantee will constitute a joint contract between the F. S. Davidson Estate and the buyer of each lot. Neither the Sale Manager nor the person designated as clerk assumes any liability, legal or otherwise. All persons who attend this sale do so at their own risk and the F. S. Davidson Estate assumes no liability, legal or otherwise, for any accidents that may occur. Every precaution will be taken, however, for the safety and comfort of the guests.

An Opportunity to Buy Splendid Individuals with Impressive Pedigrees

Study the pedigrees throughout this catalog. You will be impressed with the bloodlines that are represented. The late Mr. Davidson spared no effort or expense in laying the foundation for this herd. The leading breeders of the United States, Canada and Scotland were patronized for their choicest specimens in order to insure the strength and permanency of the Elmhurst Herd. It is to be regretted that the owner's passing came just at a time when the herd could have been such a great source of pleasure and profit to him. The 30 calves that sell with their dams and the 35 yearlings and two-year-olds in the herd at present, all bred at Elmhurst, provide evidence that this herd has reached its highest point of production.

Included in the offering are the three herd bulls. . .Edellyn Modern Mercury by Imp. Calrossie Mercury; Imp. Naemoor Magnate by the famed Cruggleton Prince Bob and Elmhurst Edmond by Drynie Ambush. In addition to the herd bulls there are eleven excellent herd bull prospects included in the sale offering.

The female offering of 77 lots will contain thirty cows with calves at foot. All are of popular bloodlines and of most approved type. There are twelve cows selling with Imp. Pittodrie Upright calves at foot and twenty-one cows and heifers carry the service of this world famous bull.

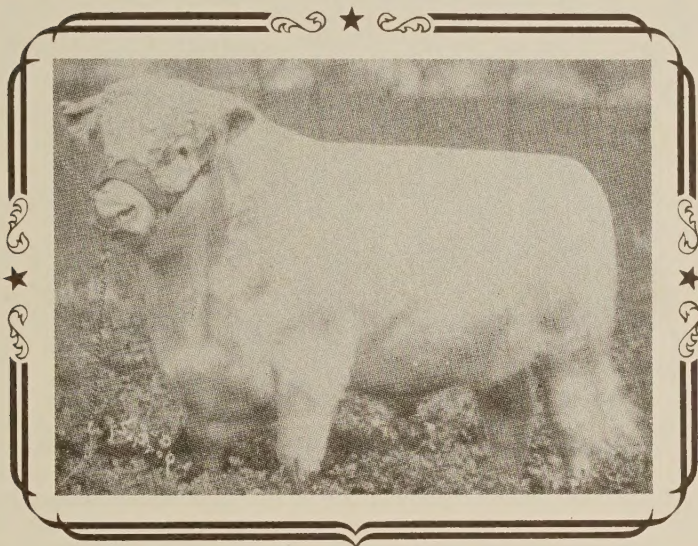

In addition to those mentioned above there are two cows bred to Imp. Naemoor Magnate and fourteen cows that have calves at foot by him; four calves by Edellyn Modern Mercury and four cows carrying his service; thirteen cows and heifers bred to Elmhurst Edmond and twelve cows and heifers bred to Sni-A-Bar Campeon Upright, one of the best sons of the famed Imp. Pittodrie Upright. Four bulls and thirty females by Edellyn Modern Mercury will sell as separate lots and four bulls and nine females by Imp. Naemoor Magnate will sell as separate lots.

The other cattle in this sale were sired by such famous bulls as Campbell's Command, Imp. Collynie Royal Barrage, Imp. Beaufort Bonspiel, Klaymor Extra, Rothes Royal, Conner's Keystone Ransom, Browndale Stamp, Imp. Calrossie Ambition, Broadfields Air Pilot, Imp. Royal Rothes, OAC Ransom 21st and other leading stock bulls.

FOR REFERENCE ONLY

SNI-A-BAR CAMPEON UPRIGHT, one of the best sons of Imp. Pittodrie Upright. There are twelve cows and heifers in this sale that are carrying the service of this good headed, straight lined, impressive bull.

PLEASE NOTE . . .

The sudden and unexpected death of Mr. F. S. Davidson, one of the most highly regarded members of the Shorthorn cattle breeding fraternity, has brought about the necessity for a quick dispersal of his herd. No time has been provided for special fitting. The cattle are to be offered in just normal flesh condition. They are healthy and prolific. Every doubtful animal has been removed and those that are to be offered in this dispersion give every evidence of future usefulness. Such closing-out sales provide unusual buying opportunities. I urge you to attend this sale and it is my firm belief that the cattle purchased will make future Shorthorn history.

This is the dispersion of one of Ohio's strongest herds. Where can you find better buying opportunities? Many of the cows that have calves at foot are re-bred to famous Elmhurst stock bulls. These three-in-one buys are always ideal money makers. Shorthorn cattle are becoming more popular each year. For three consecutive years Shorthorn steers were grand champions at the International over all breeds.
